

M2_R.4

What defines culture?

- Objective visible artefacts such as rituals, superstitions, myths, symbols, taboos.
- Basic truths about identity and relationships, time and space.
- Ways of thinking/learning/working/organising and ways of communicating
- Ideals shared by group members to which strong emotions are attached
- The 'right' and 'wrong' ways of doing things. Rules people live by in practice.
- Includes language, religion, cuisine, social norms & customs.
