

M2_R.3 Eisbergmodell

→ Fülle die leeren Felder unten mit den Stichwörtern aus, die du im Antwortgarten angegeben hast Welche Aspekte der Kultur sind beobachtbar, welche nicht?

The diagram illustrates the iceberg model of culture. A blue horizontal bar represents the water surface. Above the surface is the visible tip of an iceberg, representing observable aspects of culture. Below the surface is the much larger submerged part of the iceberg, representing unobservable aspects of culture. There are eight dashed green rectangular boxes for labeling: two above the water surface and six below it.
